

## Treated Pine Guarantee

Amazing Fencing guarantees to the person who owns the property into which Treated Pine fencing was installed by Amazing Fencing. For the relevant Guarantee Period, the Treated Pine timber will resist insect activity and/or fungal decay causing damage that would make the Treated Pine timber structurally unfit for the purpose for which it was first acquired and installed, subject to the following terms and conditions.

The Guarantee Period shall be as follows:-

Repair or replacement including providing direct labour	10 YEARS
Replacement of Treated Pine timber (excluding labour)	40 YEARS

This guarantee applies only to Treated Pine and does not include Treated Product that is hardwood.

This guarantee does not include any loss or damage due to the inherent physical properties or qualities of wood, including warping, splitting, twisting, checking, colour change, shrinking, swelling or other changes in the shape or strength of the Treated Pine timber or damage resulting from any cause other than insect activity or fungal decay.

This guarantee does not apply if treated timber, other than posts, has been subjected to extended ground contact.

This guarantee does not apply if Treated Timber has been subject to severe extended wetting and leaching.

This guarantee does not apply if the Treated Timber has been cut, damaged or modified after the completion of the fence by Amazing Fencing.

This guarantee is for the benefit of the first owner, while it is the owner of the property but is not otherwise transferable or assignable to any other person, including any builder, neighbour or occupier of the property.

This guarantee requires the owner to advise the company in writing and provide original proof of purchase and payment in full.
